Social Media Effect

Social Media creates kinship between companies and customers, and kinship equals purchase intent.

Services Offered

. Giveaways, product reviews, sponsored posts, gift guides, side bar advertising (contact me for my rates), social media promotion, ambassadorship

About the Girl and Blog

Hi, my name is Tricia and I started Tricia's Treasures in 2012 and it has been my passion ever since. Originally, Tricia's Treasures started as a review blog for cosmetics, but as time went on, I branched out in different direction to provide a variety of product reviews to target a larger audience. I am married to my best friend of 15 years and we have four wonderful children. We currently reside in sunny Southwest Florida.
